## Stockpile

### A Yield Leader

Stockpile is a true leader when it comes to performance. With its excellent quality, persistence and disease resistance package combined with consistent top yields, Stockpile is an excellent choice for growers who demand the most out of their alfalfa crop.

Stockpile's dense persistent stands make it a forage yield leader.

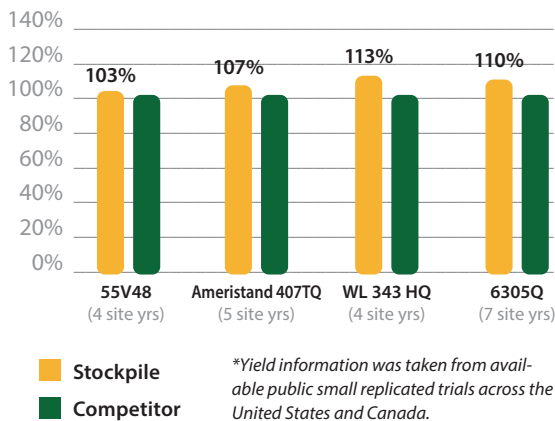

### Key Characteristics

- Outstanding forage yield potential
- Produces high quality forage
- Outstanding disease and pest resistance
- Fast recovery and excellent persistence

### Agronomic Traits

Trait	Rating
Bacterial Wilt	HR
Verticillium Wilt	HR
Fusarium Wilt	HR
